## INTERESTS:

Full stack Web Development.	Python.
Problem Solving.	Machine Learning.
Django.	Database Management.

## CAREER OBJECTIVE:

Looking forward to an entry-level position to kickstart my career. I am adaptable with a quick learner and a highly hardworking individual searching for a position to gain industrial exposure in this field. Being a quick learner, I wish to develop a more rounded skill-set and wants to help further development of the organization. To work in a highly competitive environment with a perfect challenge by contributing the best for the growth of the organization while ensuring growth in a personal career will be a great opportunity for me.
